

## A New Year's Eve Party in style

A timelessly elegant New Year's Eve Party with Cavalli Club Dubai World Tour to herald the end of the year!

Glittering décor touches, twinkling lights and jazz rhythms set a cool atmosphere as guests took a seat at their tastefully decorated tables. A celebration with a gourmet gala dinner, live performances and our two guest DJs hit the decks. As the countdown began, guests of Maradiva and Sands readily walked to the beach to witness the spectacular reworks.

The guests danced the night away.
