**AN INCREDIBLE EVENING AT THE PENINSULA PARIS**

On 21<sup>st</sup> November 2019, Maradiva Villas Resort & Spa and Sands Suites Resort & Spa hosted the professionals of the tourism industry for a cocktail reception at the infamous The Peninsula Paris. The event was impressively curated and our guests were treated to sumptuous canapés, champagne and spirits as per the French art of chic living.

We are always on the lookout for venues of classic modernity and chic elegance to host our most cherished partners.

As we raised our glasses to celebrate Maradiva’s ten years anniversary and the remarkable past years, our CEO Mr Sanjiv Ramdane thanked our invitees for their support.
