WHITE PARTY

Our White Party New Year's Eve Revelry

31st December 2020 – The year wound down in slow and celebratory style at Sands Suites Resort & Spa. After 5 years, the joint celebration between the sister properties was held at Sands instead of Maradiva due to the current exceptional circumstances.

The New Year's Eve was a special White Party edition with all-white décor. We welcomed the new year under the fireworks lit sky. The bash continued in high spirits as two renowned local DJs kept the dancefloor buzzing all night.
